DIPHTHERIA AND COLDS are just what might be expected for many children in this city. BAD WATER TO DRINK .- Some of the water people drink at home is bad enough, and some of that which they meet during their summer travels is worse. Strange water upsets many a stomach, and produces cholera morbus and other unpleastnesses. Mr. Geo. B. Harris, of Rochester, N. Y. says that when taken sick in Mobile with cramps and bowel troubles, Perry Davis' Pain Killer gave him immediate reilef and restored him to health. Some people rely on brandy and other liquors for relief in such cases, but these are mischievous in their results. There is nothing as safe and sure as Pain Killer.
